## **Second meeting of Island Development Agency held in New Delhi**

The second meeting of Island Development Agency (IDA) was held in New Delhi. It was chaired by Rajnath Singh. It reviewed concept development plans and detailed master plans for holistic development of 9 islands.

- These 9 islands include four in Andaman & Nicobar Islands (Smith, Ross, Long, Avis) and five in Lakshadweep (Minicoy, Bangaram, Thinnakara, Cheriya, Suheli).
- In the meeting, it was decided that Naval air station at Shibpur near Diglipur in northern Andaman & Nicobar Islands will be co-used as Joint User Airport. It was also decided to develop PPP package including airport (Joint User Airport) at Minicoy Island, to unlock the tourism potential.
- It was agreed to promote tuna fishing industry for improving livelihoods in Lakshadweep. All concerned agencies were directed to expedite implementation of ongoing key infrastructure projects in islands and develop community based tourism in consultation with local stakeholders.
- NITI Aayog was also asked to drive the formulation of PPP projects and proposed detailed guidelines to boost private sector participation. It aims at promoting and implementing development based on sustainable approach to building thriving maritime economy of project islands.

## **Radha Mohan Singh inaugurates three-day Organic World Congress – 2017 in Greater Noida**

On 9th November 2017, Union Agriculture and Farmers' Welfare Minister, Radha Mohan Singh inaugurated the three-day Organic World Congress – 2017 at India Expo Centre in Greater Noida.

- 1,400 representatives from 110 countries and 2000 delegates from India participated in the Organic World Congress – 2017. The goal is to move from organic India to the organic world.
- The Organic World Congress (OWC) is organized once every three years in a different country. The International Federation of Organic Farming Movements (IFOAM) and Organic Farming Association of India (OFAI) are organizing the event.
- One of the highlights of the event is the exhibition of carefully preserved diverse indigenous seed varieties over generations. 55 seeds group from 15 Indian states showcase 4,000 varieties of seeds in the event.

### **India slips to 7th position in Global Business Optimism Ranking**

India has slipped to 7th position in 'business optimism' index in September-November quarter period from earlier 2nd slot in the previous July-September quarter.

The fall in rank clearly shows clear signs of lag in the economy.

- The index was released as part of Grant Thornton's International Business Report (IBR).
- The IBR provides insight into the views and expectations of more than 10,000 businesses per year across 36 economies.
- In September-November quarter, the index was topped by Indonesia, followed by Finland (2nd), Netherlands (3rd), Philippines (4th), Austria (5th) and Nigeria (6th).
- Globally, overall position for business optimism remains relatively high at 49% in September quarter. It was down by 2 pps in June quarter, and follows five consecutive quarterly increases in business sentiment.

### **Government doubles import duty on wheat to 20%**

The Central Board of Excise and Customs (CBEC) under Union Finance Ministry has doubled import duty on wheat to 20% from 10% to curb cheap shipments and give positive price signal to farmers in ongoing Rabi season.

- It also imposed import duty of 50% on peas to check cheaper shipments from countries like Canada to boost domestic prices. The import duty on peas has been imposed to curb shipments and boost domestic prices.
- In the last two years India, world's second biggest wheat producer has been importing wheat after local production fell due to successive droughts.
- India had imported 5.75 million tonnes of wheat in 2016/17 fiscal year ended on March. Doubling of import duty aims to give positive price signal and encourage farmers to grow wheat in more area as farmers have started planting of rabi (winter) wheat crop.
- Moreover, Government does not want wheat growers to follow way of pulses farmers who shifted to other crops this kharif season as prices remained low just before sowing period owing to bumper crop last year.
- India produced record 22 million tonnes of pulses in 2016-17 crop year which led to fall in domestic prices, even below MSP.

### **First ever Nordic-Baltic youth film festival in India**

The Nordic-Baltic embassies are set to host the first ever youth film festival of the European nations at India Habitat Centre in New Delhi from 13 – 18 November 2017.

- The Nordic-Baltic youth film festival is organized by Nordic-Baltic embassies in collaboration with the India Habitat Centre.
- The Nordic-Baltic countries are Denmark, Estonia, Finland, Iceland, Latvia, Lithuania, Norway and Sweden. They are tied together geographically and historically through trade, culture and many other value systems.
- The festival would offer a diverse mix of some of the most celebrated and Oscar nominated movies from the Nordic-Baltic region. Movies would range from action movies to family films to documentaries.

### **PM Modi flagged off Bandhan Express & Inaugurates two bridges**

‘Bandhan Express’ a passenger train between Kolkata and Bangladesh’s southwestern industrial city of Khulna was jointly flagged off (through video conferencing) by Indian Prime Minister Narendra Modi, West Bengal Chief Minister Mamta Banerjee and Bangladesh Prime Minister Sheikh Hasina on November 9, 2017.

- ‘Bandhan Express’ is a fully air-conditioned passenger train and will run every Thursday from both Kolkata and Khulna.
- ‘Bandhan Express’ will cover 172 kms distance between Kolkata and Khulna in four hours. It will have two stoppages, one at Petrapole (on the India side) and other at Benapole (in Bangladesh).
- It is the second Indo-Bangla train service after the Maitree Express, which runs between Dhaka and Kolkata.
- The three leaders also inaugurated two bridges over the rivers Meghna and Titas in Bangladesh to provide an end-to-end immigration facility to ease Dhaka-Kolkata Maitree train services.

### **Delhi govt signs twin city agreement with Seoul**

On November 8, 2017, Delhi Government signed a twin city agreement with the Seoul (South Korea) Metropolitan Government with an objective to strengthen cooperation between two cities in the fields of smart city, e-governance, climate change and transportation.

- This agreement, referred to as ‘Establishment of Friendship City Relationship’ was signed between Park Won Soon, Mayor of Seoul (South Korea) Metropolitan Government and Delhi and Chief Minister Arvind Kejriwal.
- It also envisages cooperation in the areas of environment, education, solid waste management, waste water management, public health, culture & tourism, and youth exchange.
- The twin city agreement between Delhi and Seoul will come into effect after being approved by Union Government.

### **IPPB Bank to become operational in 650 districts by April 2018**

The Union Government has announced that India Post Payments Bank (IPPB) will become operational in all 650 districts of the country by April 2018 to facilitate financial inclusion.

- These banks will be linked to 1.55 lakh rural post offices for its operations and carry out banking services. This will be largest banking network in the country.
- Two such banks are already operational in Ranchi (Jharkhand) and Raipur (Chhattisgarh).
- India Post Payments Bank (IPPB) has been set up as a Public Limited Company under Department of Posts with 100% Government of India (GOI) equity.
- It leverages DoP's network, resources and reach to make low-cost, quality and simple financial services easily accessible to customers in the country.
- Its purpose is to further cause of financial inclusion by providing basic banking, remittance services and payments services to customers. It will facilitate spread of

financial services like insurance, pensions, mutual funds to customers especially from rural areas and the unbanked and under-banked segments.

### **SBI releases economic report on oil price hike, impact on CAD**

The Economic Research Department of State Bank of India (SBI) has released a report on oil price hike and how unlikely it is to impact the Current account deficit (CAD) and how inflation could stretch fiscal.

- The report is authored by Dr. Soumya Kanti Ghosh, Group Chief Economic Adviser of SBI. The report depicts oil price hike and its impact on the Current account deficit (CAD) and inflation.
- The report said that, with this rate and assuming oil price reduces to reasonable levels, the Government could receive budgeted Rs 1 lakh crore in small savings in financial year 2018, and would be able to do a buyback of Rs 75000 crore.
- It further said that, an average annual one dollar increase in oil price can lead to an increase in oil imports by 1561 million dollars annually.

### **US grants \$500k to promote religious freedom in India, Sri Lanka**

The US has announced a grant of nearly USD 500,000 for organisations which can come up with ideas and projects to promote religious freedom in India and Sri Lanka.

- The Department of State, Bureau of Democracy, Human Rights and Labor, US, has said that, it aims to reduce religiously-motivated violence and discrimination in India through its USD 493,827 programme.
- For Sri Lanka, it aims to ensure that, authorities at all levels of government in Sri Lanka effectively implement national laws and policies protecting religious freedom.
- For India, the applying organisation has to come up with proposals to develop and implement early warning systems to prevent large-scale violence and implement conflict mitigation programs between minority and majority groups.

### **IDFC Bank partners MobiKwik for co-branded virtual Visa prepaid card**

On November 8, 2017, IDFC Bank entered into a strategic partnership with digital payments solution company MobiKwik to launch a co-branded virtual Visa prepaid card for customers of MobiKwik.

- By next week, IDFC Bank – Mobikwik Visa virtual pre-paid card facility will be available to all MobiKwik users on Android as well as iOS platform.

- To use the co-branded pre-paid card, the Mobikiwk user need not be a customer of IDFC Bank.
- This tie-up will enhance the brand visibility of IDFC Bank as Mobikwik's current user base stands at 65 million. From Mobikwik's perspective, this tie-up will extend the buying power of Mobikwik's users at more locations.

### **IRDA makes linking of Aadhaar with insurance policy mandatory**

Insurance Regulatory and Development Authority of India (IRDA) has announced that linking of Aadhaar number to insurance policies is now a mandatory requirement under Prevention of Money-laundering (Maintenance of Records) Second Amendment Rules, 2017.

- This norm of linking Aadhaar number to insurance policies will apply to new customers as well as existing policy holders.
- Besides, it will apply not only to life insurance policies but also to general insurance policies.
- Insurance industry experts believe that this norm will be helpful during claims settlement.
- Aadhaar Number-Insurance Policy linkage will help in establishing the unique identity of the claimant thus reducing fraudulent claims. Moreover it will also increase the speed of settlement.

### **Dubai based Emirates NBD bank begins operations in India**
